Following the game with Flint Sat-
urday, the Alma-Republics will pull
out of the Michigan state league, and
will play independent baseball for the
balance of the year. The local man-
agement has expended a large sum of
money endeavoring to get a winner,

but has had a hard time getting men
who would stay here. Bad breaks in
luck have hit the club right through
from the start. In one game the
truckmakers hired a Detroit Tiger
pitcher, but even such a fast hurler
could not come through with a vic-
tory with a Jinx working strongly. It
is hoped that better success will meet
the efforts of the team with indepen-
dent baseball, even though teams of
the same class will be played.

GIANTS WIN

Alma-Republics Lost to Fast Colored
Team.

By bunching hits in two different
innings, the Leland Giants were able
to shove over scores enough to win
yesterday's game with the Alma-Re-
publics by a score of 6 to 2.

With a revised lineup, the Repub-
lics started out like a world beater,
and in the second inning, with two
down, three hits came in rapid suc-
cession scoring two runs. Uptigraph
started the rally with a single to
right. Allen laced one to center and
Tomer startled the fans by rapping
another in the same spot, both Upti-
graph and Allen scoring. Steele end-
ed it by a fly to left.

In the fourth Grodick yielded his
first hits to the Giants. With one
down, he walked Winston. Jennings
was safe on an error. Lyons doubled
scoring Winston and Beckwith scored
Jennings and Lyons with a single to
left.

In the seventh, Jones opened with
a double. Hill scored him with a
single. Green walked, and both scored
on Jennings' hit.

Alma made a strong bid in the sev-
enth. Uptigraph was safe on an er-
ror, but was nailed at the plate on
Tomer's double.

retary for the railroad department of
